2. Student

In addition to the general eligibility requirements found in Chapter 1, eligible All Iowa Opportunity Scholarship recipients must complete the FAFSA and Iowa Financial Aid Application and must be planning to enroll at least part-time (3 hours minimum) in an undergraduate degree program at an eligible Iowa college or university.

The student applicant must enroll at an eligible institution for the first time as a regular student within two academic years of high school graduation and continuously receive an award to maintain eligibility.

B. STUDENT APPLICATION PROCESS

Students must complete the Iowa Financial Aid Application and must file Free Applications for Federal Student Aid (FAFSAs) as described in Chapter 1. Recipients must be on-time applicants (those meeting the Commission's March 1 priority deadline). If additional funding exists after awarding all eligible applications received on or before the priority deadline, additional applications will be considered.

C. SELECTION OF RECIPIENTS

Scholarships are awarded by the Commission to on-time applicants (those meeting the Commission's March 1 priority deadline for completion of the FAFSA and Iowa Financial Aid Application) whose EFC levels are at or below the parameter defined by the Commission. If all applicants cannot be served due to funding limitations, priority will be given to students who participated in TRIO programs while in high school or students that graduated from alternative high school programs and students who participated in the GEAR UP program. The EFC level for the All Iowa Opportunity Scholarship Program for the 2016-17 academic year is \$8,118.

D. DISBURSEMENT OPTIONS AND AWARD AMOUNTS

Students may choose between two disbursement options for the All lowa Opportunity Scholarship; the maximum amount of their scholarship is determined by the disbursement option they select.

Option 1

Receive all scholarship proceeds during the 2016-2017 academic year **only**. All students choosing this option, who are enrolled full-time, may receive up to \$8,118 for the 2016-17 year **only** (including students at lowa community colleges). There will be no scholarship award in the 2017-2018 academic year.

Students who select this option and who attend full-time can receive up to \$4,059 per semester. For students attending quarter schools, the maximum full-time award is \$2,706 per quarter. Awards may not exceed financial need as determined by the Commission's need formula.

Part-time students may receive assistance prorated based on their enrollment level. All Iowa Opportunity Scholarships are not available for summer terms. When determining eligibility for renewals, Commission staff will review prior year recipient enrollment statuses as reported by college and university officials in the State Scholarship and Grant Reporting System to determine if the applicant has received the maximum full-time or part-time assistance.

Payments are credited on a per term basis by college or university officials and credited to student accounts.

The following chart provides the maximum All Iowa Opportunity Scholarship award allowed per enrollment level based on the maximum award of \$8,118.

Enrollment Level	Semester	Quarter
Full-time 12+ credits	\$4,059	\$2,706
Three-quarter time 9, 10, 11 credits	\$3,044	\$2,030 / 2,029 / 2,029
Half – time 6, 7, 8 credits	\$2,030 / 2,029	\$1,353
Less-than-half-time 3, 4, 5 credits	\$1,015 / 1,014	\$ 677 / 676 / 676

Option 2

Receive scholarship funds during the 2016-17 **AND** 2017-18 academic years. Students choosing this option may receive up to \$4,059 in 2016-17 and another disbursement of approximately \$4,059 ** in the 2017-18 academic year.

Students who select this option and who attend full-time can receive up to \$2,030/2,029 per semester. For students attending quarter schools, the maximum full-time award is \$1,353 per quarter. Awards may not exceed financial need as determined by the Commission's need formula.

Part-time students may receive assistance prorated based on their enrollment level. All Iowa Opportunity Scholarships are not available for summer terms. When determining eligibility for renewals, Commission staff will review prior year recipient enrollment statuses as reported by college and university officials in the State Scholarship and Grant Reporting System to determine if the applicant has received the maximum full-time or part-time assistance.

Payments are credited on a per term basis by college or university officials and credited to student accounts.

The following chart provides the maximum All Iowa Opportunity Scholarship award allowed per enrollment level based on the maximum award of \$4,059.

Enrollment Level	Semester	Quarter
Full-time 12+ credits	\$2,030 / 2,029	\$1,353
Three-quarter time 9, 10, 11 credits	\$1,522	\$1,015 / 1,015 / 1,014
Half – time 6, 7, 8 credits	\$1,015	\$677 / 677 / 676
Less-than-half-time 3, 4, 5 credits	\$508 / 507	\$ 339 / 338 / 338

^{**}The amount of this scholarship is based on the Regent average tuition and fee rate so the actual amount of the 2017-18 award is not known at this time.

E. AWARD NOTIFICATION

The Commission will provide electronic award notices to All Iowa Opportunity Scholarship recipients. Award notices will clearly indicate the disbursement options and associated amounts and will include the following award notification statement:

"In the event that available state funds are insufficient to pay the full amount of each approved grant, the lowa College Student Aid Commission has the authority to administratively reduce the award."

F. RENEWAL ELIGIBILITY

Financial need is determined annually on the basis of a new FAFSA filed by the applicant. Scholarship recipients who choose to receive a scholarship award over two academic years will be considered for a second award if the recipient completes the FAFSA and Iowa Financial Aid Application by the priority deadline and continue to meet Commission eligibility requirements.

G. CHANGES/CORRECTIONS

Any award changes must be provided by college and university staff to the Commission electronically via the State Scholarship and Grant Reporting System (see Chapter 3 and Appendix A).

H. VERIFICATION/COMPLIANCE

College officials are responsible for completing required federal verification procedures and for coordinating all aid to ensure compliance with student eligibility and allowable award amounts.

One disbursement of state-funded student financial aid may be made prior to completing the verification process as long as college or university officials have no reason to believe application information is inaccurate. If verification indicates that students are ineligible for aid, refunds must be made to statefunded programs.
